FROM: James A. Davenport, Executive Director

DATE: March 10, 1995

SUBJECT: **HB 1472 - SB 1591**

This bill, if enacted, will create a model youth leadership program in Memphis-Shelby County for middle school-aged girls. The objectives of the program are to create leadership skills, address cultural and racial issues, promote volunteerism, gain a knowledge of community resources and enhance their personal growth. The program will be an eight month leadership program and will have 20-25 participants each year.

Funding for the program will be from local sources, available grants and contributions, and state funds appropriated for such purpose.

The fiscal impact from enactment of this bill is estimated to be an increase in state and local government expenditures to the extent state and local funds are appropriated for such purpose. Such increase in state and local government expenditures is estimated to be not significant.

For information purposes, the YMCA of Greater Memphis/  
Memphis Youth Leadership estimates the cost of this program to be \$19,908.

This is to duly certify that the information  
contained herein is true and correct to the best of my knowledge.
